

# Lemohade!

A Musical for Young Singers

By  
JOHN JACOBSON  
and  
JOHN HIGGINS

# Lemonade

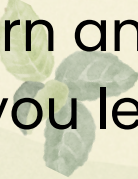

---

I bet you never realized what a bunch of problem-prone characters make up most of our favorite nursery rhymes. These folks had troubles! It will take the wisdom and cheerfulness of Mother Goose to remind them that kindness, glee, compassion, and love, when taken and shared, can be a winning recipe that is able to turn even the worst days into lives of joy.

Lemonade! teaches a valuable lesson for children of all ages to learn and remember. "When life hands you lemons, make lemonade."

Formed and led by veteran educators and arts professionals, PSBcreative Arts Education, based in Marietta, Georgia, is dedicated to elevating arts education and enriching community life through a myriad of creative avenues.

Our programs inspire and nurture a love for the arts in individuals of all ages by offering a comprehensive range of services, from after-school clubs, camps, and classes to professional design and production services.

With a focus on theater arts as a foundation, we will soon expand our reach and influence by establishing an independent school of the arts, providing a centralized hub for arts education. This endeavor will foster artistic excellence as expected by our communities and serve as a vibrant cultural center, offering an array of artistic and educational experiences and making the arts more accessible and impactful in Cobb County and beyond.
